

## British Youth Championships 2017 Bye's

***Anyone who made the top 8 in the BYC Championships in 2016 is eligible to claim a bye for the 2017 BYC Championships at the same weapon only. If any such fencer moves up an age group then they may claim a bye at that age group. All those Under 18 fencers who are now too old to compete have been removed from the list. All those Under 10 fencers who will still be fencing in the Under 10 age group for 2017 have been removed from the list as they do not require a bye to fence in the Under 10 event. Fencers are listed below in the age group at which they competed in 2016, so may have moved up an age group for the 2017 event.***
