

International Team Manager Selection Factors

1. Purpose of Document

This document is intended to be used to support the International Team Manager Allocation and Selection Procedures.

2. Selection Factors

The Selectors will take the following information when making selections. Items marked with a * will be taken from the Team Manager application form and it is therefore the responsibility of the Team Manager to ensure that the form contains the correct and up-to-date information required. British Fencing will provide supplementary information where possible. The order does not dictate priority; it will be the role of the allocators/selectors to take a balanced view.

An indication for each factor, for each selection is marked below (H – high, M – medium, L - low)
