

Tenterden Swords FC would like to welcome you to the 36th

Invicta Open

*at the University of Kent, Canterbury,
Saturday 19 and Sunday 20 March 2016*

The Invicta has earned an enviable reputation as a hard-fought but friendly competition with an excellent atmosphere, welcoming everybody from near beginners to regular open finalists. We regularly have entrants from Europe and this year we will be inviting clubs from Belgium, The Netherlands, Luxemburg and Northern France. We have an exceptional venue at UKC, with sprung floors throughout and we will be providing metal pistes for all the foil and epee fights and SG12 scoring boxes throughout at all weapons.

Closing Date: Monday 14 March 2016

Entries: Please enter online at <https://bf.sport80.com/dashboard>. (Sport80 offer email and telephone assistance with any issues and will take telephone entries if necessary - call them on 0203 005 2526 between 09:00 and 17:00 Monday to Friday.) Entries cost £25.00 for one weapon, £45.00 for two weapons. Late entries £5.00 extra. It is not possible to enter both epee and sabre.

Entries for fencers travelling from abroad are free – please email invicta@tenterden-swords.org.uk.

Venue: The Sports Centre, University of Kent, Canterbury, CT2 7NL, U.K. See : <http://www.kent.ac.uk/maps/canterbury>.

Prizes: Medals will be awarded to the top eight in each event, prizes to the top four. Additional trophies will be awarded to the top veteran (40 and over) and medals to the top under-20 in all events.

Notes: A plate competition will be run for fencers eliminated in the pools. Numbers may be limited to ensure the smooth running of the competition; late entries will be accepted only at the organisers' discretion. BFA membership, or national equivalent, is compulsory. We aim to start promptly after the check-ins close - fencers arriving late may well be able to fence only in the plate competitions. British Fencing rules mean the minimum age for entrants is 13 at 1st January 2016. Armoury facilities and hot and cold food will be available.
