

## York Fencing Open 2012

Many thanks to all those who came last year for making it a great day, feedback and for telling people about the competition! Welcome to anybody new this year - hope to build on our friendly and well organised reputation this year even more! Due to the timing of the nationals we have moved this years competition to 22<sup>nd</sup> September.

There will be two rounds of poules for all weapons, followed by direct elimination. Finals and some poules may be on metallic pistes. All entrants above 13 years old are welcome but must have BFA membership. Entrants may only enter one weapon per day. Entry fee is £16 for one weapon. Late entries (after 15th September) will be £20 per weapon.

There will be a small cake stall on the day and there are vending machines selling some food and drink, and a water fountain in the changing rooms with chilled water. There are shops on campus where food can be bought, around a ten minute walk from the sports centre.
