---

## 1. Definitions

Junior in this document refers to fencers who are under 20 on 1st January 2018 (Born 1998 or later).

BRC - British Ranking Competition – this includes all nominated domestic competitions apart from the British Junior Championships

TP – Talent Programmes

BF – British Fencing

## 2. The Junior Season

- 2.1 The new junior season starts after the Junior World Championships in April.
- 2.2 A **rolling ranking** came into effect in July 2014 and uses the results from nominated events over the previous year according to 3 below.
- 2.3 The ranking points will be updated after each nominated competition.
- 2.4 The nominated competitions in each season will be numbered chronologically (Int 1-4 and BRC 1-4/5) then results will be replaced according to this order. In addition, results will only remain on the rolling ranking for a maximum of 12 months.

*Note:- for BRCs this may occasionally result in a senior event result being replaced with an U20 one or vv.*

## 3. Junior Ranking Scheme

Weapons will select (nominate) at least four domestic BRCs and four Junior World Cup events as internationals.

- 3.1 Points will be awarded for:-

The **British Junior Championships** (with a multiplier of 1.2)

The fencer's best **three domestic (BRC)** results.

The fencer's best **three international** results.

- 3.2 The Junior European and Junior World Championships can also count for international points as one of the 3 best results where a placing of L32 or better is achieved. (So the rankings will list 6 international events in total).

Hence for the Junior ranking list the best **seven** results will count, as above.

- 3.3 It is the responsibility of the weapon leads to nominate the Junior World Cups and, together with the BF events manager, set the dates of the BRCs.

*The calendars for each weapon will be available on the British Fencing website - GBR section.*

#### **4. Compilation of the Junior ranking list**

- 4.1 For the method of calculating the junior points allocated to results please see separate document –

- 4.2 International events: From the L128 as long as the fencer reaches the DE stages and is placed in the top 80%  
  
Domestic events: From the L64 as long as the fencer reaches the DE stages and is placed in the top 80%  
[This number must not be rounded, 80% is within, and 80.1% is not]
- 4.3 When counting the number of entries, any fencer who starts the competition will be included (even if they withdraw or are disqualified)

Note – The Junior Selection Scheme is set out in a separate document.
